

# MARK ANDY 4120 UNWIND TENSION CONTROL SYSTEM

Do you have tension problems on your existing Mark Andy 4120 Press??  
Then call Quality Discount Press Parts today to discuss the  
benefits of the new unwind and rewind tension control upgrade!

**Question:** Can't I just buy a replacement board from the OEM??

**Answer:** Yes, but changing the board is only masking the problem.

**Question:** Is this tension upgrade good for my unwind tension only?

**Answer:** No, the upgrade is for the Unwind, Lamination, and Rewind area.
